## INSTANTLY KILLED

Was Wesley Gullett of the East End  
When Struck by a Freight Train  
at the Carmel Street Crossing  
Yesterday Afternoon.

While attempting to cross the rail-  
road tracks in front of an oncoming  
engine at the Carmel street crossing  
yesterday afternoon at 12:30 Wesley  
Gullett, of Carmel street, was struck  
and instantly killed.

Gullett was on the south side of the  
track and made an attempt to cross  
too close in front of the engine. The  
train was making only twelve miles  
an hour. He was instantly killed and  
the body was dragged twenty-five  
yards by the engine. As soon as he  
saw that the man had been struck,  
Engineer Ballue stopped the train. The  
body was left by the train crew in  
charge of the section foreman near  
there until the arrival of the coroner.

A examination of the body by the  
undertaker showed that although none  
of the members had been cut off, both  
legs, both arms and the collar bone  
were broken and that the skull was  
crushed in. There were also several  
cuts on the head.

Gullett was fifty-one years old and  
married. He had four children, two  
at home and two in other cities. He  
was an employee of the Street Rail-  
way Co. The funeral will be held Fri-  
day afternoon at 2 o'clock. Burial in  
the Maysville Cemetery.

The coroner's jury returned the fol-  
lowing verdict:

"We, the jury, find the body before  
us to be that of Wesley Gullett of Car-  
mel street, Maysville, Ky., who came  
to his death by being struck by a west  
bound freight train on the C. & O.  
Railroad while making an attempt to  
cross the tracks at about 12:30 o'clock  
p. m. at the Carmel street crossing."

## OPENING DAY

Of the Second Half of the Season of  
the Ohio State League—Maysville  
Plays at Chillicothe.

Today marks the opening of the  
second half of the season of the Ohio  
State League. The league, as it is  
now composed of four clubs, Maysville,  
Chillicothe, Portsmouth and Lexing-  
ton, will finish the season, despite of  
what all the knackers say.

Maysville will open at Chillicothe,  
the new member of the League, while  
Portsmouth will open at Lexington.  
The teams are all evenly matched per-  
haps more so than ever before. Mays-  
ville has been strengthened by the ad-  
dition of several new players and is  
now regarded as the best team in the  
League. They demonstrated this by  
the way they beat Portsmouth on last  
Saturday. Of course, some might see  
it another way, but we predict that  
they are heading the list on September  
4th.

Portsmouth has a good team, and  
their work is fast and snappy. Where  
they will fall down is too much of  
this "We're the best players in the  
League" stuff. Lexington is the next  
best possible contender for the rag after  
Maysville. Chillicothe should finish  
third. They have a team picked  
from the outgoing teams and should  
play good ball for the rest of the sea-  
son.

## ANNUAL CONVENTION

Of the County Sunday Schools to Be  
Held in Beechwood Park Friday—  
Many Prominent Workers to  
Be Present.

The annual Convention of the Ma-  
son County Sunday School Associa-  
tion will be held Friday in Beechwood  
Park. The convention will last all  
day and the delegates are urged to  
bring lunch so as not to leave the  
grounds. The program will be held  
in the park auditorium.

This is the first annual convention  
to be held in this city for several  
years, as they are generally held in  
some country church where the city  
workers can not get to readily. By  
holding the convention in the city it  
is believed that more of the country  
people can also attend as they can  
also do their Saturday shopping.

One of the chief matters to come up  
before the convention is the selection  
of a County Superintendent of Sun-  
day Schools. Since the resignation of  
Mr. T. J. Curry several weeks ago,  
this office has been vacant and will  
be filled at the meeting.

Another matter of importance to  
come up is the matter of inviting the  
State Convention to hold its session  
here in 1917. This matter is being  
boosted by the Chamber of Commerce  
and would be good advertisement for  
the city. There is no reason why the  
convention should not meet here as  
this city is conveniently situated for  
such a convention, much better so  
than Ashland, where the convention  
will be held this year. It is hoped  
that the convention will decide to in-  
vite the assembly for next year.

The speakers for the day are some  
of the most prominent Sunday School  
workers in the state and they will  
give some of their own experiences in  
the work. The main speaker is Dr.  
W. C. Condit of Ashland, who will give  
his illustrated lecture "The Taber-  
nacle". Dr. Condit has given this lec-  
ture hundreds of times and it is some-  
thing worth while. Mr. W. J. Vaughn,  
the state association worker, will give  
an address in the morning session and  
also in the afternoon. Several other  
excellent speakers will be heard.

All of the Sunday School workers  
and members should make it a point  
to get out to hear these speakers.  
There will be no admission fees to  
the grounds but a free will offering  
will be taken at both sessions for the  
work of the Sunday Schools. Each  
school of the county and city is re-  
quested to appoint a delegate, who  
will give a one minute report, stating  
the condition of school work. The  
convention will begin at 9 a. m. and  
last until 4 p. m.

The program for the day will be as  
follows:  
9:30 Devotional Service—Rev. Felts.  
9:15 Reading of Minutes and Ap-  
pointment of Committees.  
9:30 Address—"Making the Opening  
Exercises Count in the Religious  
Development of the Child"—W. J.

by using a real tabernacle with all  
of its furniture.)

## JUMP

From Auto Fatal to George Hook of  
This County—Will Be Brought to  
His Home in Springdale.

The Cincinnati Enquirer of Wed-  
nesday says:

George W. Hook, 21 years old, 611  
Main street, Reading, Ohio, was killed  
yesterday when he jumped from the  
running board of an automobile on  
the Reading pike, near Sharonville.  
Hook and his brother, Theodore Hook,  
were walking along the road when a  
man in a runabout invited them to  
ride. Theodore Hook took a seat in-  
side the car, but his brother stood on  
the running board.

Several times, according to his  
brother, the driver requested him to  
get inside, saying that there was plenty  
of room. As the car neared Sharon-  
ville George Hook's hat blew off and  
he was cautioned not to attempt to  
get it until the machine stopped. As  
the car slowed down he jumped off  
backward and fell on his head, fractur-  
ing his skull.

A touring car, owned by William  
Cooper Procter, was passing at the  
time and the occupants took Hook to  
the General Hospital, but he died in  
the receiving ward.

Those at the scene of the accident  
neglected to secure the name of the  
driver of the car on which Hook was  
riding. They reported that it bore the  
name of a local tire service company,  
but officials of that company denied  
last night it was their machine.

As the stories told by the brother of  
the young man and eyewitnesses ex-  
onerate the driver, Coroner Foertmeyer  
will take no action in the matter.

Hook's body will be forwarded to  
his former home in Maysville.

Hook was the son of Squire G. W.  
Hook of Springdale and was well  
known here. The remains will be  
taken to Springdale and the burial  
will be made in the Bethany Cemetery  
tomorrow.

## HEALTH LEAGUE PICNIC

(Dover News)

The Mason County Health League  
will picnic at the Fishing Shore Sat-  
urday, August 5. The original date  
set for the picnic and fish fry was Sat-  
urday, July 29, but that being one of  
the dates for the Germantown Chau-  
taqua, and not desiring to conflict  
with any other institution or event,  
the date was changed. If giving the  
picnic on this date interferes with  
the plans of any other organization to  
any great extent, the Committee on  
Arrangements would like to be not-  
ified, so that even further postpone-  
ment may be made, as it is the desire  
of the members of the League to work  
in harmony with the entire people of  
Mason county.

### CROP OUTLOOK

**In State Good—With the Exception of Fruit All are Reported in Splendid Condition—Bumper Year Likely—Proper Cultivation is Interfered With by Heavy Rain-fall.**

Frankfort, Ky., July 12—Commissioner of Agriculture Cohen today issued the June crop report which shows that all of the crops, with the exception of fruit, are in splendid conditions, and the outlook favorable for a bumper year for the farmers.

The report follows: "The last of June found everybody busy on the farm. The late corn is scarcely laid by, the early corn needs cultivation, threshing has begun in many localities, wheat, barley, rye and hay harvest is on hand and the length of no day is sufficient for the Kentucky farmer at this time.

"Excessive rainfall over a large area of the State during June has prevented the proper cultivation of the crops, and in consequence the growth of same is retarded by weeds and grass. Pastures are in good condition. This month's reports show great contrasts as to weather and crop conditions of the State.

"Threshing is in full swing and while only a part of the wheat has been threshed, it is estimated that a very small yield will be the result. This yield is estimated at 10 bushels per acre. Oats have done much better and show a yield of 20 bushels per acre, rye is given at 11 bushels and barley at 17 bushels per acre as a State average.

"Corn is reported as looking well and with seasonable weather this crop bids fair to be a good one. Condition of same is given at 87 per cent.

"Tobacco as a whole is doing well though some complaint is made of

blight on the plants. The condition of Burley is given at 87 per cent while Dark tobacco shows at 90 per cent.

"A large increase in acreage of hemp is reported this year and the condition of this crop is given at 97 per cent.

"Garden conditions are good and the estimate on same is given at 94 per cent.

"Soy beans show an acreage of 87 per cent and condition of 87 per cent while cow peas show an acreage of 86 per cent and condition of 87 per cent.

"The condition of live stock is good. While hog cholera is reported as being prevalent in some localities, no heavy losses have been sustained due to the fact that anti-hog cholera serum is being more generally used and more attention is being paid to the feeding of hogs and the sanitary conditions surrounding them. The average conditions of livestock is as follows:

"Horses 94 per cent, cattle 96 per cent, hogs 93 per cent, sheep 95 per cent, chickens 93 per cent, turkeys 84 per cent, ducks 94 per cent.

"A shortage of blugrass seed is reported. The condition of blugrass is given at 81 per cent, clover 92 per cent, orchard grass 91 per cent, and alfalfa 84 per cent. The first cutting of alfalfa gives an average yield for the State of 1.47 tons per acre. In some localities much of the first cutting was lost owing to the heavy rains immediately after cutting.

Conditions of fruits are not satisfactory with the exception of the blackberry crop which is said to be the largest in years. Apples are falling off badly. Condition of apples is given at 71 per cent, peaches 71 per cent, pears 68 per cent, plums 78 per cent, grapes 92 per cent and blackberries 99 per cent.

"In summing up the report there is every probability of good crops in corn and tobacco. Farmers are urged

### WE NEED RAIN

The slight shower of Tuesday afternoon did not last long enough to do any great amount of good to the gardens in the city. The rain was entirely local as it did not rain at all a mile from the city. The towns further out in the county report that they have been having some excellent rains in the past few days especially around Maysville and Sardis. Although the crops have not suffered any yet from a loss of rain, the time has come that a rain will do several hundred dollars worth of good. A good, soaking, general rain is the thing that is needed.

The excavator of Cary, Reed Co. has arrived and is being moved to the scene of their work. The work of excavating will begin sometime in the next few days.

### THOUSANDS JOIN VILLA

**Ranks of the President Are Being Decimated by Mutiny and Desertion—Bandit Chief Issues New Proclamation—Challenging the Forces of "Oppressor" Carranza.**

Chihuahua City, Mexico, July 11—Two Villa bands attacked Carranza garrisons today at Rosario and Parral, but in both cases were beaten off with losses, according to official reports of General Trevino. In the clash at Rosario Jose Contreras, a brother of Calixto Contreras, Villa's chief lieutenant and his two sons, were killed.

El Paso, Texas, July 11—Mutiny and desertion are rapidly thinning the ranks of Carranza's army, according to reports which reached here tonight. With each new defection of troops from the de facto government standard, the forces of "Pancho" Villa are strengthened. In some quarters the prediction was made today that in sixty days, First Chief Carranza would be overthrown and that Villa will rule Mexico, or at least the northern division of it.

The State Department at Washington has been notified of the rapid ascension of Villa, which led to a new twist to the diplomatic situation.

According to Mexican official reports received at Juarez, they are unusually conservative where they are not flatly contradictory. The latest dispatch from that side told how 2,000 Carranzista troops were later supported by other regiments, engaged the Villista forces under General Calixto Contreras, near Corralitos. From all that can be learned from the Mexican authorities, the army of 3,000 Villistas appeared. They have no report from it, or the battle that was supposed to have been fought.

The experienced ones declare that this means that the Carranzistas were either soundly whipped, that they joined the forces of Villa or that its commander saw fit not to engage Contreras.

Such things happen in Mexican military affairs. Whole armies have been known to set out against the enemy, shouting themselves hoarse with "vivas" for their valiant commander. The next reports show them in the ranks of the enemy, still enthusiastically shouting "vivas," but for the new commander.

Such a happening was likely in Chihuahua, where the majority of the population has always been rabidly Villista. The Villista tendency of Chihuahua City has always been admitted by the Carranza Government and the Carranza army in that hotbed of bandits has found its main problem in keeping the check-rain taut upon the rebellious necks of the Villa followers.

The character of Chihuahua City gave strength to rumors that two thousand troops of General Jacinto Trevino had mutinied and fought with the government forces still remaining loyal. It was reported that the Chihuahua mutiny was led by Villista agents. General Trevino himself is said to have led the force that was sent to punish the mutineers. Meager reports, all unconfirmed, from that vicinity tell of a victorious engagement fought through Chihuahua streets and into the hills that surround the town. Hundreds were killed on both sides, it was reported, before the mutineers formed their ranks again and marched southward to join their idol, "Pancho" Villa. Villa himself is believed to be somewhere between Jimenez and Parral.

If the Mexican officials along the border choose to belittle reports that Villa "is coming back" powerfully their reluctance is not shared by First Chief Carranza, whose warnings to Washington are reiterated. The call of "Pancho" Villa to his former commanders and the "loyal" Mexicans who served with him in other campaigns are being emphasized with threats of

execution and mayhem for the reluctant. This is the substance of the Villa proclamation, according to Villa's old Generals on this side of the border:

"The valiant General, Francisco Villa, champion of the oppressed and enemy of those who are throttling Mexico, is once more in the field against those who would ravish our beloved land.

"He has challenged the forces of Carranza, the oppressor, and already has achieved notable victories over the whickered one. Carranza's soul quakes in fear and he has sent appeals to his friend, the American Government, to save him.

"But no power can save Carranza from the wrath of righteous and loyal Mexicans. No longer can he give the Gringo the right to make himself rich at the cost of Mexican blood. The time has come for retribution.

"General Villa calls on all loyal Mexicans to assemble to his standard to fight for freedom and justice. He will welcome again those who have mistakenly entered the service of Carranza only to be betrayed. His battle cry will be: 'Death to the Gringo and life to Mexico.'

### Investigation Ordered of Villista Activities

Washington, July 11—A complete and searching investigation into Villista activities in Mexico has been ordered by President Wilson. The State and War Departments have been requested to report at once all obtainable facts regarding the exact whereabouts of the bandit leader and whether it is true that his forces are as large as has been reported in the press advices from the border.

President Wilson and the Cabinet had before them today all of the preliminary information furnished to the State Department by Ambassador Designate Arrendondo. It is understood that the Cabinet also considered confidential reports received from General Funston and other American officers along the border dealing with the renewal of the Villista agitation by certain American sources long under investigation.

Officials declared that there would be no change of policy at this time; the militia will be retained at border posts until it is certain that the de facto government of Mexico has stamped out brigandage. Secretary of State Polk today sent formal notice to the Treasury Department that this government has no objection to foodstuffs being shipped across the border into Mexico.

In the first ten months of the operation of the present law, the evil consequences of the radical departure from the policy of protection assumed startling proportions in the form of unemployment and reduced wages and profits. The shortage of materials hitherto imported from abroad is an evidence of the need for a well-rounded system of protection which will have in view the establishment of new industries to make the United States absolutely independent of foreign sources of supply.—Washington Post.

## SECOND DAY'S SESSION

Of Grand Lodge G. U. O. F. of Kentucky Presented Interesting Programs at All Sessions Yesterday—Memorial Service Held Last Night.

The Grand Lodge G. U. O. F. of Kentucky convened according to law in the Mason County Court House, at 9 a. m., yesterday, with Grand Master John L. Gordon, presiding. Divine services were appropriately conducted by Grand Organist, Dr. F. B. Hawkins, assisted by Deputy Grand Master C. W. Francis, Violinist and Grand Chaplain, J. Clarkson. The orders of the day, having been indicated, the election of officers, was declared in order, ex-Grand Master T. J. Smith was called to preside, and the result was as follows: Grand Master, John L. Gordon, Bowling Green; Deputy Grand Master, John D. Flitts, Flat Lick; Grand Treasurer, Thomas L. Brooks, Frankfort; Grand Secretary, George W. Saffell, Jr., Shelbyville; Grand Director, J. C. Ross, Madisonville; Grand Medical Examiner, Dr. F. B. Hawkins, Shelbyville; Grand Auditor, Dr. R. L. Summers, Louisville; Grand Attorney, L. R. Diggs, Frankfort.

After the election was ended, Col. J. W. Boles, commanding the 16th Regiment U. R. of Patriarchs of Kentucky, was indicated at the entrance door. By order of the Grand Master the colonel and his brigade were invited to enter the portals of the Grand Lodge. The men and their colonel made a very fine display in their new and bright uniforms. The commander and his men were given the Chautauqua salute. Colonel Bowles was called to the front and given due honors by the Grand Lodge. Colonel made a stirring and patriotic speech, urging the support of the Grand Lodge and subordinate lodges to take more interest in the Grand and local military organization of the order in the State. He stated that his regiment ranks above those of Illinois, New York and several other states in numbers and other qualifications. Colonel Bowles has won a great reputation in the Grand Lodge for the power of conveying his wants along military lines. He has done great work in Kentucky in building up the Grand Patriarchies. Quite a large number of his men are now encamped at the baseball park, where daily exhibition drills and baseball games are given each afternoon. At the conclusion of his speech, Grand Treasurer, Mr. Thomas L. Brooks, came to the front and presented to Colonel Bowles, for his Regiment, upon behalf of the Grand Lodge—one hundred dollars. In a very neat speech, he thanked the members and in military style, with his men marched out.

Several new members reported to the Credential Committee, among whom were, J. A. Roberts, W. V. Coleman, Cynthia; W. H. Brooks, Lexington; A. L. Garvin, Harrodsburg. Ex-Grand Master T. J. Smith stated that a communication from the National Fraternal Congress had been sent to the Grand Lodge for its consideration. It was sent to the Committee on Food of the Order. B. H. Brown and T. L. Brooks were added to the Committee on Fraternal Greetings.

By motion it was agreed that the afternoon session should be devoted to committee work. The Grand Lodge adjourned for dinner.

## Afternoon Session

Promptly at 2 p. m. the Grand Lodge reconvened. After the proper observances in the opening, the Grand Master ordered the Committee on Fraternal Greetings to visit and convey to the Grand Household of Ruth its good wishes and brotherly love. The following members filed out of the hall en route to the Grand Household: L. R. Riggs, Chairman, George W. Saffell, Jr., Spokesman, Thomas L. Brooks, F. B. Hawkins, E. H. Brown, Wm. H. Mayo, Sr.

The committee was met at the portals of the Grand Household by a selected committee of ladies who escorted the members into the grand meeting. They were graciously received by the Most Noble Governor, Mrs. Mary L. Brooks. Prof. George W. Saffell, Jr., extended the greetings of the Grand Lodge and Miss L. V. Jackson responded upon behalf of the Grand Household.

The rest of the afternoon session the Grand Lodge was spent in Committee Work.

Exhibition Drill and Base Ball

At the encampment grounds, at 4 p. m. there was a beautiful display drill of the Patriarchs and baseball.

Promptly at 9 a. m. yesterday in the Odd Fellows Hall the District Grand Household of Kentucky G. U. O. F. was called to order by Grand Most Noble Governor, Mrs. Mary L. Brooks. The opening exercises were in accord with the ritual of the Household. Divine services being led by Mrs. Hattie Woodridge, Grand Prophet.

The main business first transacted was the reception of reports of the grand officers. The reports were well arranged and those of the Grand Most Noble Governor and Grand Worthy Recorder showed much labor had been given by these able and efficient officers during the past year.

The Most Noble Governor reported a large number of visits among the Household of the State and her work was especially commended.

The report of the Grand Worthy Secretary displayed a splendid growth of the Grand Household along financial lines. Fifteen hundred dollars was reported as collected in the Endowment Department which is only six months old. Two death claims were reported. Four hundred dollars was reported in the regular grand Household account. This is an excellent showing and reflects greatly upon the financial ability of the women of the order. The other reports were well written and delivered. All of the reports were sent to the proper committees.

The movement for Boy Scouts and Camp Fire Girls has been fostered by the Grand Household and by motion was placed under the care of the elected Board of Trustees, consisting of Mrs. Fannie Gwyn, Richmond; Mrs. Sallie Smith, Cynthia; Miss Lulu Combs, Nicholasville; who are to work in conjunction with the Grand Supervisor of Camp Fire and Boy Scout work, Miss Anna Bowman, Louisville.

The poll of the house showed sixty delegates in attendance. The election of officers resulted as follows: District Grand Noble Governor, Mrs. Mary L. Brooks, Frankfort; District G. R. N. G., Mrs. Florence Stepp of Stanford; District Grand Worthy Recorder, Mrs. Daisy M. Saffell, Shelbyville; District G. W. Treasurer, Mrs. Paulina Grubbs, Paducah; District Noble Governor, Mrs. Ella Hawkins, Lexington; District Grand Director, Miss Letitia Rannels, Winchester; Post Most Noble Governor, Mrs. Lina B. Hickman, Paris; Grand Auditor, Miss Anna M. Bowman, Louisville.

Miss Carrie V. Anderson, Secretary-Treasurer Ruth-Ogden Home, made a partial report.

Delegations conveying greetings from the Grand Lodge and the Grand Patriarchies, were received and accorded the proper honors.

## Memorial Exercises

Memorial services were held in the Mason County Court House last night by the Grand Lodge. Mr. T. L. Brooks, Frankfort, conducted the same.

Rev. T. J. Smith, Versailles, preached the Annual Sermon. Mrs. Mattie Carr of Midway, represented the Grand Household and gave a beautiful memorial address upon the deceased of the Grand Household of Ruth.

Splendid music was furnished by the Maysville soloists. A very beautiful solo was sung by Miss Sadie Bell of Maysville. A large and appreciative audience was present.
